 was a Metanias
- All were large stout women, + very intelligent.

Swason Neptune and Soccabecia Neptune (father of Peter Soccabecia) were children of a brother of John. Soccabecia's wife was a great girl

The Neptunes were all distinguished by aquiline noses, the Neptune nose being quite a feature. Joe Neptune was a graduate.
 So said father back
 I am told it was a Metanias feature.
 It was a Neptune feature! (Ramus)

Peter Soccabecia was the Indian Land, Ad Soccabecia Neptune's son. He told me who called grandmother "Kataline". He went hunting and also trade. Was engaged to a Squaw of St. Francis + Otis Ellis cut him out, but afterwards deserted the woman. In 1861 father saw her + a son of Ellis about 17 yrs old. Ellis then married a Irish woman
