Come for my Enemies or for any thing they Come Dare or say
it is behind my back that they fight and talk for none of them
Dare meat me face to face It is to you sir I look for
Derections and for protection taken I am doing my Duty
& able to your Derections and this you may depend I will
Do to the best of my abelety in Defence of all the Rights
of the Lember States or the Union
I take sir you will have the goadness to Rite me a
few lines of Derection on the Receipt of this letter I will
be pleging to me to know that my Conduct in this affair is agreed
to you & if I should not be pleging to know so that I may
Desist - I also wish your Excelency to Derect me what I shall
Do with those English people whom I told you had cut and
Corned of the Bay of the Windson on our side of the River on
the Lake Shore I Come at had of some of them Property
to sketch as it Comes Down the River & will bring the
action into our own Courts - I wish the Attorney
General would Send me two or three such properly
filled out agreable to the Act Done for bringing Prisoners
over & Care to file up the names of the
Witnesses & the Order of the Justice & as soon as the
weather will permit I am a going to set out up the River &
this ensuing Lake to see if the English have any Posts
this winter on these Sides of the Lake Do not have not taken
the liberty of Crossing on the Lake to our Side for the Purpose
of Noting a few Pine Trees or Oak Timber for
Traffic but I am determined to prevent them getting any
Timber off our Side of the River - I shall on the other side
of this sheet Answer your Excelency as a Interesting Subject
to me and I think to our new State on the only means
of Making our State Rich is to have Well Settled
& well Settled Country by good and Loyal People will make
a great Commercial Town & Citey all which I will submit
for your Excelency Inspection - and am the Dutyful Respect
Permit me sir to Subscribe my Self your Excelency
