

Dr. Joe's nickname was Kaoozee - oolakhkoozee, "cow's
entrails", because when small he stole cow's entrails from
a Hampton house. He had many daughters, one son - His da.
Marie Sociabini married Chequoddi's who was killed in Kings Hill
She was a dancing woman, "bad" says Clara.
"Poof!", den gone down, come up again, say "Poof!"

He lin in water, keep his oil cool. So good oil. Seal
the fish too. He loll round on locks, say "wah! wah!"
like me dog. Stay in seen. Get his oil hot, so his
oil sticky."

Dr. Joe was the man who wanted a receipt from
Squire Johnson so that when he died & they wanted to know
when he went to Heaven if he had payed Squire Johnson
he shouldnt have to "lem land all in Hell find
Squire Johnson. The retort was made in open court &
Squire Johnson never heard the last of it.

"What are dose see oil?" (pointing to a bottle of oil of pennyroyal)

"Had in been for dose see oil & 'em - most mosquitoes had kill us.

Oh, many, you right seen see dose winter bark! Muchas so tick
I a fugio's nidoth) Neednt bark here you see. Look my son Nicola,
& two men & horse & myon tree dog get up dose bark. Hst? Oh,
my soul, & 'em a use' mosquitoes set 'em up.

"Mosquitoes when you were getting out winter
bark? How's that?" In see, many, somebody found one tree bark
tell me, so you get nice' winter bark here you see." An impossibility
is a tree cut so would not peel when dry -
