William King EsqPortland June 6th 1813

Dear Sir

I have attended to your
Business (as proxy), the result is
generally a collection of the former Offer
I find by the Clerk of W Wharf that
there is \$600. dividend up to Jan'y
1812 and that in a few days there
probably will be a Dividend Offer for Jan'y
1813 of abt: 50 or 60 Dollars. Both
sums will probably be paid when
you visit Portland, which I have
a great desire may be as soon as
you can make it convenient

I consider the Sumner man as
important to the existence of Republi-
can in the District of Maine, and if I
have any knowledge of my self I
have nothing more of a temperate
nature at heart than to promote
and support by every honorable

Yours
