

by Dr. Louis<sup>9</sup> Hatch. Do you  
know where I could get it  
to read? Would it be in  
the large libraries?

~~X~~ I had been considering  
whether it would be possible  
or feasible to start a branch  
agency - if that explains it -  
to sell their Indian baskets  
in Mass? Do you consider

the word of honor of an Indian  
of honest value? Do you

happen to know anything  
about Newell Tomah & John Ranco  
(who made the canoe trip to  
Plymouth) and would it be  
advisable to help Ranco? I  
will tell you why, if you  
could answer the questions.
