

Bath Aug<sup>r</sup> 25. 1820

Dear Sir,

The friends of Maj<sup>r</sup> William H. Page are desirous of obtaining for him the appointment of Justice of the Peace for the County of Kumbuck - As some of the Gentlemen of the Bar would bring their objections before him, it would assist him, in supporting his family, until he can settle the concerns of this late unfortunate firm - Under these circumstances, it is hoped, unless it should interfere with some of your arrangements, you will be pleased to appoint him, at this session of the Council. With Esteem & Respect

Yours Obedt<sup>ly</sup>  
Gov. William King
