

I was beginning to wonder how he was.
In the winter he talked of a sort of fish
trip in the spring, with Hunt & myself.

I don't get loose. Relations generally are
all one the lot, Asia, Europe, N. Hampshire,
Wyoming, & back I. Cook on vacation, nice
settling half doing for me, Hunt tried salmon
at club, they boil it in too much water.

Hope you are thriving, & not doing
stair falls.

Sincerely

W.H.C.
