Dear Mrs. Eckstrom,

Curious, you had been
around in the top of my mind for
two or three days; the second especially,
evidently telepathy.

You know I have no more about
your names up there but I will get
at the lot with the contour map,
the TR in Canada ~~the~~ has always
offended me, seems to have started as H.
Hone pine meaning is plain & I guess that
up there you are safe on it. Here I
am still holding back on a lot of Cow-
islet cases, in a dozen or two of spells,
& am not wholly sure.

There is a Massachusetts peninsula in
Long Island & I think there are more
instances, which I will look for.

The Kern word seems grassy un-
der
