Worcester Nov. 10. 1820

Dear Sir

Yours of the 15. was recd. & you will see it had due attention - I took the liberty to vary a little, which it is hoped is approved - If any thing further strikes you as proper & necessary to be done in this business, please to say and I will see it done -

The practice of having Juries of the Peace through the State, appears to be required by the Constitution of Massachusetts - Chap. P. Art 2^o - but not by our Constitution, except by inference -

The tenure however, that all Commissioned Officers have by virtue of the Commission, being expired therein, I am inclined to the opinion that it is a matter of discretion & expediency with the Governor, whether to appoint any Juries of the Peace through the State - You will see by the Resolves of our Legislature that the votes for Electors are to be returned, on or before the 20. of Nov. & are to be examined &c by the Governor & Council -

The Towns to be held from in this district are
Vinalhaven & Deer Isle - as the votes
now stand Mr. Hill is elected by 57. Yours truly E. J. Foote
