

Feb. 24/39

Dear Mrs. Tickstone,

Yours of 22<sup>nd</sup> at hand.

I don't get done with Alogas, hope something positive will turn up. Initial ni in these names may not mean much, something of a starter. It's so with Ogunquit, or Nagsun-, Ogunquit means old fields. You get the solid sound of it in other names of the same meaning.

Am off for Providence this morning.

Sincerely

W.B.C.

Aebing, kisi, passé  
nikassé, I am dead, extinct.

a good many words meaning end begin with kis. I've got some heads-of-tide words I'm going to look up.
