

Galloway 11. Nov. 1820.

Hon. William Henry.

Dear Sir. As the council set next week, I wish to repeat, that the Register of Probate in this country had better remain for the present. His continuance will have a tendency to keep all things quiet.

The appointments of clerk and sheriff are much to be desired & I pray they may not be delayed. Chandler, Punderson, & his getting up petitions for himself in every party
