

Hudson, Thomas & Connecticut, Wall, Some-  
what buried in my main names I notice

Kananaghetne, Nobleborough, Me.,  
Mass. Arch. Town Plans, 1792  
V. 10, p. 24

sketch enclosed - a pretty accurate sketch, in fact,

I shouldn't suppose these Kenegeth names  
meant just the same as Inhegan, but  
near enough to sure. It is interesting  
to find that form in your territory.

Sincerely  
WAC,
