

Mitchel Jackwaddis, a Yankee corruption of
Chagnot, Daylight. He was named Chagnot, "a Nutchel
that gets up early in the morning", from Chagnot, dawn
a daybreak. ^{See Karelle for him.} Marie Chagnot was Sebastien Brassus'

mother. I do not know that ^{she & Mitchel} they were related but
presumably they were. Gen. Blais notes some

Montirain Jackwaddis (= Madeline Chagnotis) Clara before
says her husband was killed in a mill. If so it must have been
before 1814. Perhaps Clara refers to a year — from

what goes before it would seem that this Madeline Chagnotis
may have been the mother of Sebastien Mitchel, whose father
was killed — but I am not sure.
